PRIME MINISTER JULIA GILLARD’S VISITS
NUNAWADING CHRISTIAN COLLEGE

On Wednesday, April 17, Nunawading Christian College was host to a very special visit from the Prime Minister, Julia Gillard, Federal Minister for School Education, Early Childhood and Youth, Peter Garrett, and Federal Member for Deakin, Mike Symon.

The visit was part of an ongoing campaign for school funding reforms. Secondary school Principal, Adrian Stiles, and our Secondary school captains greeted the visitors and escorted them on a tour of the school. After walking through the Multipurpose Centre, our guests were introduced to the school including the upgraded facilities that were completed earlier this year.

The questions ranged from the Prime Minister’s opinion on women in leadership to asylum seekers to how she deals with the constant questions regarding her wardrobe. Ms Gillard laughed it off saying, “I spend a lot of time having to worry about what I’m wearing so no-one comments on it. It’s a complete reverse of how most women think about their wardrobe.”

Adrian Stiles, Secondary Principal, was pleased to have the visitors see the school including the upgraded facilities that were completed earlier this year. “We are thrilled to have the visitors see the school including the upgraded facilities that were completed earlier this year.”

The visit concluded with a presentation day as part of ASV. Parents, families and friends also helped out on the day, including secondary students who supervised and encouraged their younger colleagues.

THE LEGACY OF OUR ANZACS

Students and staff from Gilson College Mernda took part in an ANZAC Day service at Whittlesea. The service commemorated the legacy of the freedoms that our service men and women have fought for on our behalf, in many conflicts, since the Boar War.

‘They shall not grow old, as we who remain grow old,
Age shall not weary them, nor the years condemn,
At the setting of the sun, and in the morning,
We will remember them.’
